

Vincent Snow Art

Commercial Asset License 2.3

Updated January 18 2026

This license is an agreement between Vincent Snow (herein referred to as 'the artist') and the purchaser of record only (herein referred to as the 'licensee'), granting them the non-transferable rights outlined herein to use the purchased product in a manner consistent with its guidelines and limitations.

This license can be revoked by the artist at any time for any reason. Continued usage without an active and valid license is a violation of U.S. copyright law and may be face legal proceedings or punishment accordingly.

Your use and purchase of the product does not signify any endorsement or personal support by the artist.

I. Right to transmit the product digitally or physically in a secure private manner or allow others access to the product for usage consistent with this license.

You may allow contractors or employees, friends or family to use the product to create works for you. However, since the license is non-transferable, they do not receive any personal rights to use it without purchasing or downloading their own licensed product.

If you wish to gift this product, it should be done through the platform's official methods. If this is not possible, contact the artist to ensure the correct person is recorded as a license holder and officially grant them these rights.

II. Right to distribute derivative works of the product for commercial or personal use, with credit.

You may not redistribute the product as it is in original format, or without significant alterations or inclusion in a larger work such as a painting, 3D character model, video game, or animated film.

You may not distribute these derivative works without credit to the artist by name or link to the personal website somewhere clearly visible in the product and/or its description.

III. Prohibited Uses

You may not claim personal endorsement by the artist when using this product.

You may not use this product for any purpose that is hateful, incites or facilitates harm or harassment toward anyone.

You may not use this product for any promotion or training of generative AI software or its output, including combining with or touching up AI-generated content.

You may not use this product to create or promote non-fungible tokens or cryptocurrency.

You may not use this product to promote or endorse any political candidate or party without explicit permission from the artist.

You may not use this product in a manner that is directly harmful to anyone. (For example, financial scams or falsified screenshots intended to harm someone's reputation.)

IV. Personal Responsibility and Waiver

By using the product you agree that the artist is not to be held responsible for personal harm or loss due to usage of the product, including loss of business revenue.
